

Showcase your business to professional women.

Welcome to SoS

ONLINE

IN - PERSON

What are Women Facing Professionally?

80% of women experience microaggressions at work, including feeling compelled to provide evidence of their accomplishments. (McKinsey Study)

Women receive a disproportionately small share of VC funding: 2.3% for all-female founding teams (Harvard Kennedy)

SoS Mission

Business professionals today hold many roles in work and life. They have limited time, but still want to grow in all areas of their lives. SoS is helping to connect people who have expertise to those seeking it; through intimate, one-of-a-kind experiences and events, resources, content, tools, and community impact.

How to Participate
